Please see the "W2SAMP.KDB" for a complete list of the products you want to purchase. Price: \$129.99 retail

WRAPTURES OVERVIEW

Minimum System Requirements

Each Wraptures volume contains over 130 different seamless, tile-able, 32-bit, photographic textures in PICT and BMP format on CD-ROM. You can use Wraptures in your 3D renderings; as multimedia, video, background, desktop publications; and anywhere you can import a PICT or BMP file. Each Wrapture texture starts as a 32-bit high-quality scan of a professional photograph and is then retouched by hand so it tiles seamlessly, and even a texture that reduces the appearance of repetition when tiled. Each Wrapture comes in multiple
