WRAPTURES OVERVIEW

Minimum System Requirements

Each Wraptures volume contains over 130 photographic textures in PICT and BMP format on CD-ROM. You can use Wraptures in your 3D renderings; as multimedia, video, publications; and anywhere you can import a texture starts as a 32-bit high-quality scan of a professional photograph and is then retouched by hand so it tiles seamlessly, and the appearance of repetition when tiled. Each Wrapture comes in multiple
