WELLS FARGO ADVISORS REWARDING ACADEMIC PROGRESS

## Hello Again!

Hello again from us in CAB WRAP! We have many events going on during the fall semester that included our involvement with the Hackler Healthy Kids 5K Run/Walk. It was a great experience for our new members in WRAP as well as our current members in WRAP. However, this letter we would like to get you back in the know with our current events!

## Hackler Students Rewarded!

Above are pictures of the students who were rewarded for their academic progress when the CAP WRAP students visited them for lunch in January.

## CAB WRAP Student Go to Hackler

By Tamson Mora

Recently, CAB WRAP members visited fourth and fifth grade students at Hackler Intermediate School. These students were chosen by their teachers based on academic progress in the classroom.

To reward the Hackler students, CAB WRAP members, with the help of Wells Fargo Advisors, threw a pizza party during both of their lunches. During the lunch, WRAP members and Hackler students socialized while eating pizza and designing a cut out tessellation for an art project that will be presented at the end of the year. One student drew a karate kid, while another used multiple colors to make a rainbow.

Hackler students talked about their favorite colors and activities, and many of the students said they enjoyed playing sports such as football and basketball. Whereas other students commented that they enjoyed art and music. Some of the students even had siblings they looked up to who were in high school and friends with WRAP members.

This is only one of a series of rewards that CAB WRAP has planned for the students including another pizza party and a movie showing. WRAP members hope to continue to let kids know they are being acknowledged for their hard work in school and reward them accordingly. After all, kids are the future.
