SmoothMove Viewer

SmoothMove Viewer

In the SmoothMove Viewer, you can pan and zoom to examine your panorama.

- To pan, hold down the left mouse button near the center of the window and move the mouse in the direction that you want to pan.
- To zoom, hold down the Ctrl key and left mouse button simultaneously, and move the mouse up (to zoom in) or down (to zoom out).

Open button: Click this button to open a panorama for viewing.

Reset button: Click this button to reset the panorama to its starting position.
