# FACT SHEET

## Asterix® & Obelix® FACT SHEET

**Platform:** PlayStation® 2 computer entertainment system  
**Release Date:** September 7, 2004  
**Developer:** Etranges Libellules  
**Publisher:** Atari, Inc.  
**Category:** Action/Adventure  
**ESRB Rating:** E

### Gameplay

Take a wild, exciting adventure through all corners of the Roman Empire in 50 B.C., bashing legions of soldiers in an all-out effort to free the villagers of Gaul held captive by Caesar's vast army. The only strategy: bash the Romans and save your friends!

### Features

- **For the first time in a videogame:** Player has simultaneous control of both Asterix® & Obelix® at all times
- **Powerful combinations and attack moves to acquire:** twister fusion, power hammer, earthquake, atomic magic potion, plus 10 special attacks!
- **An extra-large adventure:** 6 different countries, 47 sites, ride/race sequences, fight up to 70 Romans in a single battle, face up to 20 types of enemies
- More than **40 huge levels to discover**
- **Amazing graphics:** upgraded characters, photo-realistic backgrounds, special effects and hilarious animations
- **Solve puzzles** and use objects/devices to progress through the game
