

YOU'LL BE BACK!

ECTS 99 Sept 5: Leading entertainment software publisher Hasbro Interactive is proud to announce the re-launch of Atari. The new range of Atari computer games will be released in two waves in October and November for both PC and Sony PlayStation. Characterised by addictive gameplay, challenging levels and instant access, Atari delivers fast-paced action for a thrill seeking generation. Look out for great Atari games reworked with stunning new graphics and enhanced gameplay and keep an eye out for brand new Atari games to follow in the future.

Centipede – Beat The Bug

Pilot the Shooter across various landscapes in the fight to rescue the Wee people from their marauding insect enemies. Take on the ultimate challenge as you battle against Queen Pede and her army of centipede, spiders, fleas and scorpions. You'll need every ounce of concentration and devastatingly sharp shooting skills in the hugely addictive fast action shoot-em-up. Special features include switchable viewpoints, multiple power ups and superb graphics, all set to a pumping techno soundtrack.

Release date: October 1999

The Next Tetris – The Best New Puzzle Game of All Time

Tetraddict (Tet//ra~ddict.) – One who devotes or surrenders oneself to Tetris habitually or excessively. All the fast paced action and strategy of the original game plus new 3D graphics, wobble blocks, breakaway bricks and special gravity effects, all set to a pumping techno soundtrack. The TNT ranking system automatically handicaps players according to their ability so now you can go head-to-head and find out once and for all who really is the best.

Release date: October 1999

Pong - The Whole World is Ponging

The most addictive game of head to head competition you'll ever play. Challenge your friends through dozens of amazing levels including Hen Hassle, Football Frenzy, Balloon Busters and many more. Loads of offensive and defensive power-ups demand skill and tactics in this ultimate party game. Jaw dropping special effects, hundreds of great level combinations and masses of secrets will keep you hooked as you journey from Pong Novice to Pong Master.
