

## SNIPER ELITE

Spring 1945. The ravages of World War II are drawing to a close and the Russians and Germans are locked in furious conflict for war-torn Berlin. Reports abound that the Russian secret service (NKVD) are in Berlin to steal atomic bomb technology from the German Army. You control the fate of an American soldier, trained as a sniper by the OSS. As a key member of an invisible, yet elite group, you are assigned to the most sensitive of missions. Disguised as a German and working alone, you must infiltrate hostile enemy environments and using your stealth and sniping skills, and stop Stalin's forces from controlling the world's nuclear technology.

### FEATURES:

- **Realistic WWII sniper simulation** – Gain access to the precise sniping position by taking out key enemy obstacles – machine gun nests, guard posts, and sentries
- **28 sensitive and challenging missions** – use stealth and skill to infiltrate hostile enemy territory
- **Hone your sniping skills** – use gravity, elevation, wind speed and direction, heart rate, breath, posture, background noise, and other conditions to successfully hit your mark
- **4 Modes of play** – Single player, 2-player co-op, 2-player death match, and multiplayer network play
- **In-depth non-linear levels and sophisticated enemy AI** – freely explore war-torn Berlin and find your window of opportunity to line-up the perfect shot
