

PAC-MAN™ WORLD - OVERVIEW AND KEY FEATURES

The most famous game character of all time returns for a PlayStation-exclusive adventure, and this time he's in 3D!! This is Pac-Man like you've never seen him before. The game features the power-pellet munching hero in a totally free 3D environment where he runs, eats, jumps, swims, and rockets his way through over 30 levels.

Pac-Man World 20th Anniversary sees Pac-Man facing new challenges in a 3D adventure. He bounces, swims and jumps his way through everything from outer space to mansions, from factories to funhouses. The non-violent, pure fun aspect of the game appeals to all ages and the strong heritage behind this infamous icon immediately generates fond nostalgia.

To keep the ardent Pac-Man fans happy, Pac-Man World contains the classic Pac Man arcade game and Pac-Man himself still chomps his way through levels and mazes, chases ghosts and grabs those power pellets.

Attractive to the eye and satisfying to play, Pac-Man World is a celebration of the best known character in gaming history.
