

TEAM BUDDIES - OVERVIEW AND KEY FEATURES

Team Buddies is a stomping battle game big on multi-player mayhem and devilish strategy. Build up your team by collecting and stacking crates together, then kick 'em open to reveal more buddies, weapons and vehicles – just what you need to launch an explosive assault on your opponents. The inflatable friends may look cute but they have a vicious streak, so beware! Prepare to wreak utter havoc as you attack the enemies bases and bring their crate stacking to a screeching halt; charging in with guns blazing and cannons firing!

- Team Buddies features chaotic multi-player gaming for up to four players on the PlayStation via quad-screen. With buddies like these – who needs enemies?
- Hugely appealing characters combined with vicious playing style
- 8 Playgrounds, 32 Arenas and 64 manic missions
- Buddies always work in teams. Ability to swap control from one buddy to another
- Artificial Incompetence™ technology which makes these little buddies as smart as humans but also as stupid
- Huge variety of weapons, vehicles and explosions!
- Viewed from 3rd person perspective with overhead and binocular view modes
- Many different character types with unique abilities to learn and master eg. Karate Buddy, Stealth Buddy and Medic Buddy
- Many NPAs (Non Player Animals!) to contend with including crate stealing cheeky monkeys, buddy loving pigs and irritable rams!
