A Tall Tail

The star of this humour-filled tale is *Kingsley*, a loveable fox-cub and apprentice True Knight. Only this diminutive and unlikely hero can save the Fruit Kingdom from Bad Custard, a devious wizard who is using the stolen Book of Magic to commit unscrupulous deeds. Kingsley's journey begins in Carrot Castle, where our foxy hero must hone his weapons skills with dagger, sword and crossbow training. Then it's off into the big, wide world, where a colourful cast of animal characters awaits, some friendly, some intent on cutting the cute cub down to size. Only by collecting all the objects needed to become a True Knight can Kingsley hope to win the final showdown with Bad Custard.
