Overview: ‘Microsoft® Casino’ brings the excitement and action of three premier Las Vegas casinos from the Strip right to your PC.

Featuring ten favourite casino games, Microsoft® Casino packs real Las Vegas action in near photorealistic versions of Bellagio, The Mirage, and Treasure Island. Play all your favourites – including blackjack, baccarat, roulette, and more – without risking a dime.

- New Features:**
- **Enjoy 10 of your favourite casino games.** Play Blackjack, Baccarat, Craps, Video Poker, Video Keno, Roulette, Slots, Pai Gow Poker, Caribbean Poker, and the Big Six Wheel.
 - **Play in photorealistic versions of Bellagio, The Mirage, and Treasure Island.** Only Microsoft® Casino puts you inside three premier Las Vegas casinos. From playing tables to the dice & cards, Casino is your chance to be a virtual high roller at these exclusive resorts.
 - **Three exciting ways to play, including the Casino Challenge.** Try your luck as you challenge other computer players in the Casino

Challenge. Start at Treasure Island with a modest bankroll, then win your way to The Mirage and Bellagio, where you'll compete for bragging rights with a virtual \$100,000 bankroll! Also enjoy free play, or set up your own tournament – play the way you want to play.

- **Earn virtual rewards as a casino VIP.** Discover how gracious an experience playing and winning can be. Admire virtual palatial suites, win virtual complimentary means and show tickets, and enjoy the ambience of these luxurious resorts.
- **Challenge the dealer and 10 other characters.** Try your luck against the house, or choose from ten 3D-rendered characters with unique personalities and styles of play.
- **Designed for Windows Me, Windows 2000, Windows 98, and Windows 95.** Whether you play at home, on the road, or at the office, Microsoft®
