Product

Overview: It’s all here – wild off-road motorbike racing with 16 stunts and over 30 tracks in Motocross Madness, rowdy racing in one of 20 smash ‘n crash trucks in Monster Truck Madness 2, and 10 hip roadsters including the new VW Beetle and the Panoz GTR careening through Chicago in Midtown Madness!

Product Features & Benefits: Monster Truck Madness II

- Eight trucks, including four World Championship Wrestling (WCW) themed trucks such as Hollywood Hogan’s or Stinger’s trucks.
- Monster Truck Madness 2 is compatible with the classic tracks offered in version 1 and with those created by the on-line community.
- 10 wide open track environments to crush the competition on.
- Experience more challenging races with more dynamic scenery in the tracks.
- The same humorous commentary as the original version, by Army Armstrong, the real voice of monster truck racing.

- Car crunching multiplayer mayhem over the Internet on Zone.com, over a LAN or modem-to-modem.

Product Features & Benefits: Motocross Madness

- 16 death-defying stunts, complete with fantastic wreck animations that capture the crazy daredevil spirit of world-class riders, including the Nac-Nac, Heel Clicker and Skurfer.
- Over 30 indoor and outdoor tracks as well as the stunt quarry and open terrain courses.
- Create and exchange unlimited Motocross tracks for unlimited replay value with the track editor.
- Multiplayer capability allows up to eight players play over a LAN, and four players play through the Internet Gaming.

Product Features & Benefits: Midtown Madness

- Five types of racing scenarios and objectives – Explore/Roam, Waypoint, Blitz, Circuit and Online Cops & Robbers.
- Race in ten real licensed vehicles with incredibly accurate physics and damage models including: Panoz GTR, '99 Ford Mustang coupe & Police Car, '67 Boss 302 Mustang Fastback, Cadillac Eldorado Touring Coupe, Panoz Roadster, Ford F450 Super Duty truck, Freightliner semi, a city bus and the New Volkswagen Beetle.
- Features a totally interactive recreation of Chicago, including over 80 Chicago landmarks, pedestrians, weather conditions, a police system, dozens of shortcuts and hundreds of interactive objects (from working bridges to parking meters).
- No fixed tracks – Create your own best course with virtually unlimited shortcuts and routes through the city.
- Full multiplayer support for up to 8 drivers for endless fender-bendin' city racing action.
