

SYDNEY, May 2007 – Sony Computer Entertainment Australia is pleased to announce *Ratchet & Clank™: Size Matters*, an all-new sci-fi action adventure made exclusively for the PSP® (PlayStation®Portable). Featuring many new and returning weapons and gadgets, *Ratchet & Clank™: Size Matters* will draw players into a galaxy spanning adventure set across new levels with diverse gameplay.

As the first title developed by High Impact Games, *Ratchet & Clank: Size Matters* goes back to the franchise's roots with hallmark *Ratchet & Clank* gameplay sure to please fans of the series. *Ratchet & Clank: Size Matters* features all new gameplay for Ratchet's brainy robotic sidekick, Clank, who steps out from behind the shadows to assume a prominent role alongside Ratchet. Re-capturing the humor from previous PlayStation®2 installments, *Ratchet & Clank: Size Matters* will allow up to four players to blow one another away in action-packed wireless multiplayer gaming.

While on a much needed vacation, Ratchet and Clank's rest and relaxation time is suddenly cut short as they soon find themselves lured into a mysterious quest. Following the trail of a kidnapped girl, Ratchet and Clank rediscover a forgotten race of genius inventors known as the Technomites. They soon uncover a plot more dangerous than they could have imagined!

KEY FEATURES

- Ratchet and Clank make their PSP debut, going back to the franchise's roots with classic *Ratchet & Clank* gameplay. Play through an original story and explore all new worlds, specifically designed for the PSP.
- Clank returns as a playable character, and players can control the gadgebots, pilot super-sized robotic torsos and engage in space combat missions as Giant Clank.
- Experience all of the combat and destruction fans have come to expect from the series with new and familiar weapons and gadgets including the Mootator, Agents of Doom and Shrink Ray.

- Unlock over six different armor types with a customizable armor system that gives Ratchet new abilities and powers to advance through challenging action-packed areas.
- Tear up the track in Intergalactic Hover-boarding and struggle for Clank's survival in all new Combat Arena missions.
- Compete with up to four players using wireless multiplayer gaming via Ad-Hoc or Infrastructure mode. Challenge opponents in the objective-based *Iron Lombax* mode or in fast-paced battles such as *Capture the Flag* and *Deathmatch*.
