**CAPCOM® PRESENTS PHOENIX WRIGHT™: ACE ATTORNEY FOR NINTENDO DS™**

E<sup>3</sup>, LOS ANGELES — May 18, 2005 — All rise! Capcom® today presented **Phoenix Wright™: Ace Attorney** for Nintendo DS™, the first in the popular court room battle series from Japan to be released in the US. While the series' previous three entries appeared on the Game Boy® Advance system in Japan, this marks its debut on the Nintendo DS. Not everyone is innocent until proven guilty! Players star as a defense attorney, who must prove his seemingly guilty client's innocence no matter how dire the circumstances may seem. The game presents twisting storylines and intriguing gameplay in a comical anime style. Players must collect evidence, weed through inconsistent testimonies, and overcome corrupt agendas to ensure that justice prevails. Capcom plans to release **Phoenix Wright: Ace Attorney** across North America this fall.

*Phoenix Wright: Ace Attorney* includes the following features:

- Play from the first person perspective through five intriguing cases
- Two distinct gameplay segments:
  - **Investigation phase** – survey crime scenes, interview witnesses and gather evidence that will be used in court
  - **Court phase** – present findings from the investigation to support your case, listen to testimonies, examine witnesses, and determine what is fact from fiction so you can prove your client's innocence
- Colorful cast of characters
  - **Phoenix Wright** – the game's main character who is an accomplished defense lawyer with a keen sense for discerning fact from truth
  - **Maya Fey** – a bright young girl that aids Phoenix in his trials; she is learning to harness her psychic powers which will prove useful in a pinch
  - **Mia Fey** – an ace attorney who taught Phoenix everything she knows about the courtroom and continues to support him as a mentor
  - **Miles Edgeworth** – Phoenix's arch rival, this slick prosecutor has never lost a case; his intense hatred for criminal behavior drives him to use any means to ensure a guilty verdict

Capcom is a leading worldwide developer, publisher and distributor of interactive entertainment. Founded in 1983, the company has created world renowned franchises including *Resident Evil*, *Street Fighter*, *Mega Man*, *Breath of Fire*, *Devil May Cry* and the *Onimusha* series.
