THE LAND BEFORE TIME

The Story

Trapped in the 'Mysterious Beyond' home of the dreaded sharptooth, Littlefoot and his friends set out to try and find their way back to the safe haven of the Green Valley. The adventure unfolds as the youngsters tangle with neighborhood dinosaur bullies, dodge fierce fires and more. Even though the danger is never far away Littlefoot learns that you can work together and move mountains. This colourful version will charm children and adults alike with it's hopeful, upbeat theme of sharing and caring. All this set against the fantastic levels that lie ahead of you in this massive Prehistoric World.
