

Wallace + Gromit™

Format:	PS2/Xbox/Gamecube
Genre:	Arcade Action Adventure
Release Date:	October 2003
Number of Players	Single Player
Developer	Frontier Developments

Story Overview

Wallace and Gromit, the loveable duo from 'The Wrong Trousers', are back again in this action packed arcade adventure. This time they are counting on you to help defeat the evil Feathers in true gaming style. That diabolical penguin has incarcerated all the zoo's junior residents in order to persuade their parents to do his bidding and manufacture gems from the incredible diamond-o-matic. Wallace and Gromit need to dash their way through the zoo rescuing each of the offspring in turn. A challenge only the truly inventive can meet!

Key Features

- Play as the resourceful and adventurous Gromit, with Wallace never far behind to offer hilarious hints.
- Race through five enormous action packed levels (with 24 sub levels and mini arcade games) covering eight different 'animal houses' in the zoo.
- Bursting with inventions designed to challenge the mind and fill every level with fast paced fun including: the Porridge Gun, Coal Flinger, Banana Launcher and Knitting Machine.
- Build dozens of contraptions invented by Wallace to aid your journey such as 'Springy Boots', 'Monoplane', Melt-o-matic' and 'Techno Trousers'.
- Bamboozle your way past Feather's army of zoo keepers, henchmen and mischievous monkeys!
- All-new characters especially designed by Nick Park (creator of Wallace & Gromit animation films and Chicken Run)

Primary **Family and kids**
Boys aged 8-12, but the style of game lends itself to enjoyment by the whole family.

Secondary **Casual Gamers**
The game has a humorous element, and has challenging enough gameplay for the older gamers.
