# The story so far...

Long ago when Dragons ruled the skies and Fairies roamed the forest, there was a kingdom called PoPoLoCrois

10 years ago PoPoLoCrois was turned into an icy wasteland by the Ice Demon, who attacked with his four evil wizards.

The people of PoPoLoCrois were powerless to stop the attack... until a beautiful dragon from the skies came to protect them.

The dragon fought the Ice Demon for days and days; and weeks and weeks until, eventually, the Ice Demon was defeated and fell into the world of darkness, taking the dragon with him...

Time passed... and in peaceful PoPoLoCrois, King Paul's son Pietro is celebrating his 10th birthday.

The people of PoPoLoCrois put on a wonderful celebration. Pietro has received many cards and gifts for his birthday.

But, Pietro still seems lonely...
