Hidden Dangerous

Genre: Action/Combat Simulation
Release Date: June 1999
Developer: Illusion Software

Hidden & Dangerous" is a WWII 3D action/real-time strategic game, containing a combination of non-traditional features, elements of real time strategy, action games and partly tactical strategies. Plentiful new features and stunning true 3D graphics give the game original form and dynamic pace. The story is imaginative and full of reversals, forcing the player to think ahead all the time, utilizing real tactics to progress through the missions.

- 23 diverse covert missions and 6 campaigns!
- Take control of genuine WWII vehicles including a Panzer tank!
- Overhead map lets you synchronize split second maneuvers!
- Different troops to select, each with their own personal traits!
- Multi-Player co-operative action over LAN - co-ordinate your strikes!
- Play in either 3rd or 1st person views!
