

Limited Edition Yellow PSP Slim & Lite and The Simpsons Game Launches in Australia

Sony Computer Entertainment Australia (SCE Aust.) are pleased to announce that as of Thursday 15 November 2007, the Limited Edition Yellow PSP® (PlayStation®Portable) Slim & Lite, bundled with a copy of Electronic Arts' *The Simpsons™ Game* will be available in store at a recommended retail price of \$299.95.

Launched earlier this year in September, the PSP Slim & Lite is 33% lighter and 19% thinner than its predecessor, and is equipped with a video-out port, allowing users to view their PSP content on their Home TV. Currently available in Piano Black and Ceramic White, the Yellow model is a bright and welcome addition to the PSP Slim & Lite range.

This limited edition bundle will provide everything you need to enjoy the ultimate in portable entertainment, making it an ideal gift for the upcoming holiday season.

Release Date: 15 November 2007
RRP: \$299.95
