

Tribal Rage

Work-in-progress

Tribal Rage is Talonsofts' first move away from the serious strategy with a fun, easy-to-learn real-time game.

Rule the wasteland of the future as a gorgeous Amazon, or an evil Death-cultist in the real-time strategy game that doesn't take itself too seriously. With family choices including chain-wielding bikers, Cyborgs, Enforcers and good ol' Trailer Trash , you're bound to find the find the Tribe that's right for you.
