Cartoon Network Racing

Description

Cartoon Network Grand Prix pits characters from the Cartoon Network's top shows in a Kart Racing tournament against each other. Have tons of fun with the wacky characters from Courage the Cowardly Dog, Cow and Chicken, I M Weasel, Johnny Bravo, The Powerpuff Girls and Dexter's Laboratory. Just select your favorite driver, co-driver and weapons and you're ready to go!

This is no ordinary race - players experience a wild and wacky ride as they battle through 24 different circuits of cartoon craziness, collecting power-ups, eliminating their rivals, rocking and socking their way to victory! The Rules of Racing are simple: win! Be the first to cross the line and you'll win the race. Sounds easy? Not when you're competing against rival drivers, each out to win! And add to that crazy hazards, weapons, power-ups and more and you'll see why this is no walk in the park!

Cartoon Network Grand Prix is a truly unique, character-driven racing game where players are immersed into the world of the Cartoon Network characters and experience fun situations, exciting game play and character-based comedy – just like the shows themselves.
