Legend of the Dragon

Description

The Legend of the Dragon is centred on the story of the signs of the ancient Chinese zodiac, which holds great mystical power. Each sign has its own temple, and each temple has its own guardian. The evil Zodiac Master is trying to attain the powers of the twelve guardians as that will make him virtually unstoppable. One thing stands in his way: the Golden Dragon! When the Chinese martial arts student, Ang, is chosen over his twin sister, Ling, to be the next Golden Dragon destined to fight the Zodiac Master, Ling joins the dark side in a quest for redemption! In the battle between good and evil both heroes and villains have magic wristbands that can transform them into mythical warriors, giving them the precise likeness and superhuman powers of the zodiac creature they represent!

Brand overview

ANG and LING, brother and sister, twins born in the year of the Dragon, with a unique destiny. Ang is attracted by the light, Ling by darkness... The Twelve Signs of the Ancient Chinese Zodiac, each has its own temple, each temple has it's own guardian. The guardians undergo a physical change when they are forced to defend their temple, a metamorphosis that reflects the skills and likeness of the zodiac creature they represent. If one could actually attain these twelve astonishing ancient powers they would become virtually unstoppable. Which is precisely what the ZODIAC MASTER has been attempting to do. Only one thing stood in his way - THE GOLDEN DRAGON!
