

# BATEN KAITOS

バテン・カイトス 終わらない冒険と失われた海

## FACT SHEET

### Game Description:

The story of Baten Kaitos takes place at a time when lands exist in the sky. It is an era in which the once-vast oceans have become mere legend among men. This is the world in which Kalas and Xelha meet: A world in crisis, where a conspiracy for power may lead to its destruction. Players will control a spirit that guides and advises Kalas throughout his journey and fights by his side. Over 1000 types of "Magnus" cards deliver an intense battle system combined with breathtaking graphics and a world overflowing with character detail. Enter Baten Kaitos on a journey to unlock the mystery of the lost sea in an enchanting story of friendship, betrayal, and prayer.

### Features:

- **INTENSE TURN-BASED BATTLE SYSTEM.** An intense and unconventional card-based RPG battle system with over 1000 types of "Magnus" cards (each with its own unique artwork) that can be combined.
- **CAPTURE ESSENCES IN "MAGNUS CARDS".** Capture the essence of certain items and entrap them within blank magnus cards, then reproduce them during combat, healing, solving puzzles, and more. Magnus cards age through time: foods will ripen or rot, items will rust, gain or lose value with age.
- **AN EPIC JOURNEY WITH SURPRISING TWISTS.** Experience shocking story development as you control a spirit that guides and advises Kalas throughout his journey. Enter a world overflowing with character detail, emotion, and expression.
- **BREATH-taking GRAPHICS.** Players will be in awe of incredible graphics – including sub-worlds, towns, villages, cities, and even weather patterns bursting with amazing color and detail.
- **RENOWNED PRODUCTION TALENT.** 3D Character designs by Asami Fujita. Brilliant soothing soundtrack composed by Motoi Sakuraba.
