

## **Terminator® 3: The Redemption (GCN)**

- **Official title** - Terminator® 3: The Redemption
- **Game Information** – Terminator 3: The Redemption is a high intense 3D action game in which the player assumes the role of the most popular and iconic character featured in the Terminator films, the T-900 Infiltrator. Your mission: To ensure the survival of John Connor and Katherine Brewster. To complete this mission, you will use multiple vehicles to defeat SkyNet machines, travel through time, protect John and Kate, and prevent Judgement day. SkyNet is aware of your mission and is sending everything it has to stop you, including the T-X, the deadliest terminator yet!
  - High intensity, fast action/adventure game, character and vehicle based combat.
  - Player can "be the Terminator", Arnold himself.
  - Play in Present day levels, and experience Future and an alternate future never seen before.

**Genre:** Action/Adventure

**# of players:** 1-2

**Release Date:** 8/24/04

**Exclusivity:** This game is not GCN exclusive.

**Connectivity:** This game does not feature connectivity between AGB & GCN.

- **ESRB** – RP (Expecting T rating)
