

TALES OF SYMPHONIA™

FACT SHEET

Game Description:

How much are you willing to sacrifice for the chance to save your world? In a dying village on Sylvarant, legend has it that a Chosen One will one day appear from amongst the people and the land will be reborn. Enter a world of beautiful cel-shaded graphics and high-quality Anime cut scenes by renowned artist Kosuke Fujishima. Command real-time battles in a unique 3D battle system that gives you full control over the characters. Execute and combine hundreds of special attacks and magic spells. The line between good and evil blurs in this immersive, emotionally charged epic adventure where the fate of two interlocked worlds hangs in the balance.

Features:

- **REAL TIME 3D BATTLE SYSTEM.** One of the fiercest, most action packed battle systems ever created with hundreds of special attacks, spells, and combos.
- **AN EPIC ADVENTURE.** Over 80 hours of gameplay in this epic, emotionally charged storyline.
- **A 3D MASTERPIECE.** Beautiful cel-shaded graphics by renowned artist Kosuke Fujishima.
- **ADAPTABLE CHARACTERS.** Fully customizable character growth system to suit your fighting style – where the storyline changes based on the characters' relationships.
- **UNPRECEDENTED VARIETY.** Dozens of mini-games and side quests.
