

## Konami to debut **Scene It?® Twilight™**

Hugely popular Summit Entertainment Film heads to Wii, Nintendo DS and PC in Europe to thrill all trivia fans

Konami Digital Entertainment GmbH has announced it will release **Scene It?® Twilight™**, the latest member of the Scene It?® family of entertainment trivia games, for Wii™, Nintendo DS and PC-DVD in Q1 2010. It will arrive shortly after the next installment in Summit Entertainment's TWILIGHT movie series, THE TWILIGHT SAGA: NEW MOON.

Fans will put their knowledge to the test to determine who will be the ultimate TWILIGHT expert. **Scene It? Twilight** will challenge Wii players' powers of observation, memory and puzzle solving, as it transports them to Forks, Washington and creates an interactive multiplayer trivia experience brought together seamlessly for Wii. Fans can learn more about Bella Swan, TWILIGHT's heroine, or test their memories on Edward Cullen, the dark and unlikely love of Bella's life.

**Scene It? Twilight** for Wii features will include:

- Rich-media trivia content: Over 500 multiple choice questions based on movie clips, music and audio from the TWILIGHT movie
- New user interface designed specifically for the Wii game, giving **Scene It? Twilight** a new look and feel, making the game much more immediate to play
- Motion functionality: Use your Wii Remote to buzz in and beat your opponent!
- New gameplay modes: Single and multi-player modes and new scoring systems keep the game close, exciting and challenging enough to please all TWILIGHT fans

"Konami is always looking to engage people in new means of interactive gaming experiences. The TWILIGHT film has an incredibly popular following who crave content and new media well after the movies are no longer in theaters," said Kunio Neo, President of Konami Digital Entertainment GmbH. "With extensive content from the film, **Scene It? Twilight** will bring life to the excitement and energy surrounding the popular film in an all-new way."

**//MORE**

**Scene It? Twilight** players will be completely submerged into the TWILIGHT universe as they interact with some of the most iconic locations, characters and scenes from the first film – and putting their knowledge to the test to determine who is the ultimate TWILIGHT expert!
