

Dear AC Subscribers,

I want to apologize again for the fact that this issue is late. However, at least one reason for the tardiness should make you happy, the Amiga technology has been awarded (temporarily) and will be placed at auction soon. For complete coverage of this story, please see the Escom article on page 57.

Since this is a March/April issue (to fit more accurately on the newsstands), your subscription has been updated by one issue. If your subscription had previously been listed as 5/95, for example, it will now read 6/95. Anyone who currently has a label that reads 3/95 or 4/95 should renew as soon as possible so that they do not miss any issues.

Once again, thank you for your interest and understanding. We at AC will continue to do our best to provide the coverage you have come to expect.

Sincerely,

Managing Editor
