10 What's Up!

Panasonic and GoldStar both lower the 3DO system price to \$299. Chess Wars, Syndicate, Deadly Skies, Varuna's Forces, Space Hulk, Trip'd, Ballz: The Director's Cut, Strahl, Space Pirates, and Panzer General lead a plethora of new products.

14 Wing Commander III

Mark Hamill and Malcolm McDowell lead an all-star cast including you into a space adventure that spans the galaxy and four CDs.

by Jason D'Aprile

20 Quarantine

As the only honest cab driver in the walled city of KEMO it is your job to get people from one dangerous place to another while you attempt to get yourself out of there.

by Jason D'Aprile

22 Corpse Killer

On a Carribbean island you are faced with a madman's scheme to raise an army of the dead. Armed only with your wits and seemingly endless ammunition, you, your guide, and a beautiful journalist travel the jungles to stop the madman, Hellman.

By Jason D'Aprile

26 Immercenary

A message from the future requests your help to save an entire society. Strapped into a mind device only your thoughts travel in cybertime.

Zhadnost, p.30

Panasonic Fun 'N Games,

30 Zhadnost:

The People's Party

The country of Bizzarnia has been under Communist rule for as long as anyone cares to remember. Suddenly, they have been embraced by the influence of capitalism. They celebrate their newfound abilities in that most American manner, they create a television game show.

by Kraig Kujawa

33 Family Feud

It may not be Richard Dawson, it may not even be a good replacement, but it's a great way to get family and friends to play along. In this interactive version of the classic game show, learn what it would really be like to become an actual contestant.

by Robb James

36 Fun 'N Games

Panasonic has created a single piece of software that helps young minds paint, play, create, and learn in an entertaining fashion. Fun 'N Games has activities, challenges, and style.
