Dear Ms. Ruderman:

GameTek has released HELL for the 3DO system, however, we have received neither a press release or product. My deadline for the next issue is now, please contact my office immediately at 1-800-345-3360. We want to include this product, but without art and a copy, it will be impossible.

Since our organization utilizes free-lance writers, we would appreciate two copies of each title forwarded to us by FedEX business standard at the address below as we discussed earlier.

All mail should be sent to:

3 Magazine c/o PiM Publications, Inc.
P.O. Box 2140
Fall River, MA 02722

In addition, please forward a list of upcoming titles (either in the package or by FAX) so that we may also include it in this issue. I need to determine if there is time to include this so please contact me by phone at 1-800-345-3360 or 1-508-678-4200. As before, our FAX is 1-508-675-6002, and my email address is DonHicks@AOL.com. Thank you for your assistance in this effort.

Sincerely,

Don Hicks
