This article may be reprinted in newsletters of user groups of Macintosh computers. There are three files: this READ ME FIRST! file, a Microsoft Word file containing the body copy, and a SmartScrap scrapbook containing screen shots and captions.

Prior to publication, the following conditions must be met:
  1) Notify me via America Online ("DesktopSol") that you plan to publish the article. Supply the name of the group, mailing address, name of the editor, name of the publication, and approximate date of mailing.
  2) Mail me a copy of the finished newsletter to:
Desktop Solutions
4315 Valley Green Mall, Suite 191
P.O. Box 189
Etters, PA 17319-0189
  3) Include the following paragraph at the end of the article:
©1991 by Jerry Britton. This article originally appeared in "Desktop News", a Macintosh newsletter published by Desktop Solutions, America Online "DesktopSol". Reprinted with permission.

That's it... publish away and good luck!
