

## NEWSSTAND LISTING

This is a list of `official' ModemNews NewsStands. You can always find the latest issues of the DOS version of ModemNews at any of these BBS's and we encourage you to frequent them.

If for some reason any of these BBS's do NOT have the current issue available for you, please let us know as soon as possible!

If your favourite BBS is not listed here have the SysOp call us!

France
