* Internet Connection
    If you connect to the Internet with a modem, select **dial-up
connection**.
    AOL and Compuserve subscribers should select **Permanent
Connection**.
    For further information please consult Troubleshooting in the Help
file.

Frequently Asked Questions:

How do I register?:
   Registration is automatic, the first time you run infoPager. Registration will
   ask for your name, e-mail address and some   personal information.   All
   information is used solely by the publishers for purposes of providing you
   with a personalized
   edition.

   Once registered you no longer need to provide any information,
   infoPager will recognize you and all your selected sources.

What about a password:
  Passwords are not needed.   infoPager uses a highly secure authentication algorithm that will identify you and check your subscription status.

When I print my information source, can I change the fonts?:
  Fonts and colors are determined by the publisher and can not be changed by the user.

How do I check for new publications:
  On the **Help** menu, select **Check for New Sources**.
