## **LOCK AND RELOAD WITH CAPCOM®'S ARCADE MASTERPIECES IN CAPCOM® CLASSICS COLLECTION RELOADED**

E3, LOS ANGELES – May 10, 2006 – Capcom®, a leading worldwide developer and publisher of video games, today presented **Capcom® Classics Collection Reloaded**, an amazing ensemble of more than 18 historic arcade favorites for the PSP™ (PlayStation®Portable) system. Featuring select hits from *Capcom Classics Collection* for the PlayStation®2 computer entertainment system and Xbox® video game system from Microsoft®, **Reloaded** drives the nostalgia factor home with a host of new titles including *Eco Fighters*, *King of Dragons* and *Knights of the Round*. Satisfying the most discriminating of retro connoisseurs, **Capcom Classics Collection Reloaded** serves up a hearty spread of genres ranging from side scrolling brawlers to vertical shooters; providing enough flavor to please any gaming palate. **Capcom Classics Collection Reloaded** is scheduled for release throughout North America in Q4 2006.

“Capcom’s classic arcade hits are truly reloaded for the PSP system,” said Todd Thorson, director of marketing Capcom Entertainment. “On top of fan favorites such as *Street Fighter II*®, *Ghouls ‘n Ghosts* and *Commando* we’ve added a new group of titles to the collection, continuing our legacy of providing quality entertainment for all players.

Bringing hours of entertainment for players on the go, **Capcom Classics Collection Reloaded** offers faithful arcade ports while delivering competitive and cooperative multiplayer games that can be enjoyed via the PSP system’s wireless ad hoc mode. Game sharing abilities not only pushes **Reloaded** over the compilation echelon, but presents the opportunity to be challenged just like the good ole arcade days. For those wanting to experience the games in their original presentation, the screen settings can be changed to suit just that. Relive Capcom’s history and savor bonus features by earning credits towards **Reloaded’s** themed slot machine to unlock a buffet of goods including original art, playing tips and secret codes.

**Capcom Classics Collection Reloaded** is guaranteed to provide quality entertainment at a great value.

*Capcom Classics Collection Reloaded* boasts the following features:

- More than 15 arcade-perfect classics on a single UMD™
- Hundreds of hours of nostalgic entertainment
- A wealth of added features including game history, playing tips, original artwork, and new secret codes
- Customizable controls to suit any gaming style

Capcom is a leading worldwide developer, publisher and distributor of interactive entertainment. Founded in 1983, the company has created world renowned franchises including *Resident Evil*, *Street Fighter*, *Mega Man*, *Breath of Fire*, *Devil May Cry* and the *Onimusha* series.
