RELEASE DATE :	December 2000

Scenario

On a special assignment to take pictures of Merlock's Ancient Temple, Daisy, the world famous reporter, is taken prisoner by the evil magician. Donald sets off to rescue his sweet heart Daisy but he has to act fast : his cousin, Gladstone is determined to rescue Daisy before him! Who will win Daisy's heart?

Before Donald can actually confront Merlock, he has to weaken the powerful magician. He must travel around the world, thanks to Gyro Gearloose's teleporter, to place mirrored sensors of energy on the highest summits of each of the worlds : at the peak of "Ducky Mountain" in the Rocky Forest, protected by Bernadette the Bird; at the top of the "Ducktower", den of the Beagle Boys; and on the roof of Magica de Spell's flying manor.

At last, Donald arrives in the Ancient Temple and places the last mirror at its heart. Merlock is defeated and Donald frees Daisy.

Description

Features Donald's world favourite characters : Donald, Daisy, the Nephews, the Beagle Boys, Magica de Spell, and more

4 worlds : The city of Duckberg, Magica's Haunted Manor, Merlock's Ancient Temple, the Rocky Forest + a Timewarp Room

6 levels per world - 24 levels in all :

- 2 linear 3rd person levels
- 1 side-scrolling level
- 1 chase level
- 1 Boss level
- 1 Bonus level

A gameplay that fits Donald's explosive personality : the mood system

- Donald begins each level, **determined**, expecting everything to go his way. But things simply won't go as planned!
- When hit, he explodes in frustration and goes **berserk** for a few seconds, destroying everything in his path. Calming down, he becomes **angry**. If Donald gets hit again in his angry state, he **passes out**.
- When Donald is determined, and drinks a power up, he becomes **hyperactive** for several seconds, which allows him to discover hidden parts of the game.

Multiple goals and mini-games

- Complete all levels to rescue Daisy
- Master Donald's funky special moves (Yoga Bound, Spicy Golf...)
- Beat Gladstone's time
- Beat your high score
