

Permission is hereby granted to newspapers and magazines to reproduce the visuals of the Disney's Donald Duck: Quack Attack characters on the condition that they are used in connection with direct publicity for the game in which they appear, and that they are accompanied by © Disney.

There are strict guidelines on the use of the Disney's Donald: Quack Attack characters. Please contact Disney Interactive for PC CD ROM publicity and Ubi Soft Entertainment for video game publicity to confirm your use of these images.

All visuals and printed materials containing these characters must be approved by Disney Interactive.
