

## DJ: Decks & FX

---

### Key Features:

- Easy to use – ideal for music lovers.
- A full range of DJ equipment equivalent to €2000\* of kit.
- Fully licensed soundtrack featuring 50 club tracks & acapellas (exact number TBC).
- Automatic beat matching makes mixing music easy.
- Sample sections of a song and loop them to extend your mix.
- Bend and distort the music using a full effects system.
- Add different loops & beat with the included drum machine.
- Mix well-known vocals over classic tracks to create new remixes of your favourite songs.
- USB Headphone Adapter allows you to cue up your mix like a real DJ with the SOCOM headset providing the same functionality.
