

JOYTECH MEDIA COVERAGE UPDATE

Welcome back to another JOYTECH Review Roundup. As Spring is in the air, and we finish gorging ourselves on chocolate eggs, all eyes turn to games, and the quality peripherals to go alongside them! This month, JOYTECH's impressive standing amongst specialist press continues with the first review of our 'Two Player Dancing Mate' appearing in GamesMaster Magazine (Complete with enthusiastic photo's of staff enjoying the mat!), and PowerStation raving as ever for JOYTECH gear! Dominating this month's 'Invader' Magazine, which is distributed free to hundreds of Indies around the country, and appearing everywhere from the complimentary 'EasyJet' Magazine, to the evening Telegraph Newspaper, coverage remains varied, positive and unbeatable in our sector! Next month, we're expecting a healthy dose of reviews for our new Universal 7inch TFT Monitor, which is currently circulating amongst the nation's hottest mags. Stay tuned, and we'll be back after E3! Enjoy!
