GT Interactive Press Release

18/3/99

Duke Nukem Zero Hour

Format: N64
SRP: £TBC
Release: July 1999

This is without a doubt an absolute knockout!

This is without a doubt the best action game to hit the N64 since Goldeneye!

This is without a doubt THE DUKE at his *very* best!!

A stunning third-person camera system allows Duke the complete freedom he'll need to rid Earth of the invading alien scum as he travels through a variety of time zones, kickin' ass and looking damn cool.

Created exclusively for the N64, this is one title you will not want to miss!
