

PLAYSTATION®2 “GREATEST HITS” TITLES

Introduced on April 1, 2002 through retail outlets nationwide, the “Greatest Hits” series on PlayStation® 2 follows the lead of its market driving “Greatest Hits” collection on the original PlayStation®. With the introduction of this new software line, the power of the PlayStation 2 experience becomes attractive to an even broader audience, as the prices of top games’ are lowered. To be eligible for the PlayStation 2 “Greatest Hits” series, a title must meet two key criteria: sales must be in excess of 400,000 units and the titles must have been on the market for more than nine months.

PlayStation 2 “Greatest Hits” series features a distinctive roster of titles that have proven to be all-time favorites among consumers and are generally as low as \$19.99.*
