BUSINESS CALCULATOR V2.11 (Shareware Version)
   for Windows 3.1 or higher
(C) Copyright 1991,1993 Kent Etling
All Rights Reserved.

Etling Software
3515 Danvers Drive
Columbia, MO 65203

PURPOSE:

The Business Calculator can be used to perform many advance business,
financial, and statistical calculations, as well as basic calculations.
It also provides multiple memory registers and a calculator tape that
you can edit.

LICENSE:

This is a shareware version of the Business Calculator. It is not
free software or in the public domain. You are granted a limited
license to use this software on a trial basis. If you register
the Business Calculator, you will receive a manual and a disk with
the latest version that does not include a commercial.
 To register:

        Send $25 to: Etling Software
                3515 Danvers Drive
                Columbia, MO 65203

INSTALLING THE BUSINESS CALCULATOR:

1) Start Windows.
2) Place the Business Calculator diskette into a floppy drive
  of your computer.
3) Select the File:Run menu option of the Program Manager,
  and type into the dialog box the following: A:\INSTALL
4) The installation program will prompt you for any additional
  information needed.

FILES:
