Software License

The purchaser of this product is licensed to duplicate and/or store the software program for the use of the purchaser on one computer at one time. The unauthorized duplication and/or storage of this product in any storage medium is illegal and is prohibited by federal and international laws. Reproduction of PageStream for the use of others or for installation on more than one computer constitutes software piracy, a criminal offense.

Contact the Sales department for information on site licenses and dealer copies.

Transfer of Software License

There is only one software license and registration number per copy of PageStream. Upgrades to the program are considered the same program for legal purposes. If you sell your copy of PageStream you are selling the software license and registration number. You cannot sell your previous version of PageStream and keep the latest version because there is only one software license.

Upgrading

Soft-Logik regularly upgrades PageStream. By immediately returning your registration card you will enable Soft-Logik to keep you aware of the latest releases. Soft-Logik reserves the right to charge a processing fee for maintenance upgrades and an upgrade fee for major upgrades.

Warranty

Soft-Logik Publishing Corporation makes no warranties, either express or implied, regarding the enclosed computer software package, its merchantability or its fitness for any particular purpose. The exclusion of implied warranties is not permitted by some states or countries so the above exclusion may not apply to you. This warranty provides you with specific legal rights. There may be other rights that you have which vary among states and countries.

Soft-Logik Publishing Corporation warrants the magnetic media to be free from physical defects for 90 days after purchase. Soft-Logik will replace the disks free of charge should they fail within this time. Every effort has been made to ensure the accuracy of this manual. Because PageStream is constantly being improved, Soft-Logik cannot guarantee its accuracy after publication and disclaims liability for changes, errors and omissions, or damages resulting therefrom.
