Card Information

1.3 Ydwen Efreet

Ydwen Efreet:

As errata, the card should read "If Ydwen Efreet is assigned to block, flip a coin; opponent calls heads or tails while coin is in the air. If the

flip ends up in opponent's favor, Ydwen Efrete cannot block this turn."
[WotC Rules Team 09/22/95]

The coin flip occurs at the end of the Declare Blockers step of the attack.
[WotC Rules Team 09/22/95]

If the coin flip prevents the Efrete from blocking, you cannot put up a
different blocker instead. [Arab FAQ 01/05/94]

In multiplayer games you can pick a different opposing player to call the
coin toss each time it is used. [Duelist Magazine #4, Page 64]
