

Animal Paradise

With 18 Animals to be
your best friends!

Agatsuma
Entertainment.

NINTENDO DS™

Animal Paradise takes you to your uncle's virtual farm and allows you to become best friends with all his animals. Feed, clean, walk and play with them, but above all make them happy to earn their love. This exciting title will thrill animal lovers of all ages with its exciting mix of pets, including everything from dogs and cats to hamsters and pigs.

Key Features

- Featuring 18 different animals for you to meet, befriend and photograph.
- Feed the animals their favourite foods to keep them fit and healthy.
- Always make sure the animals are happy and clean to keep their friendship.
- Featuring Yoneo Morita's HanaDeka's renowned (Big Nose) style of animal photography.
- Take great photographs of your pet friends, collect the pictures and complete your photo album.
- The 'pet products' genre has become one of the best selling styles of products for the Nintendo DS.

HANADEKA Brand

Animal Paradise features the extremely popular and collectable Yoneo Morita's Hanadeka style of animal photography, the most famous and enthusiastic pet photographer in Japan. The brand name "HANADEKA" is a cute and catchy way of saying "Big Nose" in Japanese and the photographic style is achieved utilizing fisheye lenses. Hanadeka is fast becoming popular across the world and the crazy animal images can now be seen on everything from T-Shirts, mugs and underwear to Wellington boots.
