FEATURES

- Over 2,000 puzzles for ultimate variety and replay value.
- Unique game modes include “Quick Blast” (the player allots a specific amount of time to play games and beat the clock) and “Fast and Fun” (complete as many puzzles as possible in a row without running out of time or making an error).
- Try the “Tournament” game mode for a series of randomly selected puzzles of each game type
- Play against a friend in “Head-to-Head” mode—two different multiplayer games keep friends coming back for more.
- Three difficulty levels create fun for players of any skill
- Create up to four profiles to track your performance and monitor your best times.
- The “Stop & Save” feature allows you to continue challenging puzzles next time you play.
- Navigate through games and menus simply using the Wii Remote™ or the Nintendo DS™ stylus and touch pad.
