### **KEY INFORMATION**

*Wii Sports Resort* is a new collection of fun sports games that anyone can pick up and play.

- This sequel to the popular *Wii Sports™* makes use of the Wii MotionPlus accessory, which gives players the most responsive and realistic experience possible. The Wii MotionPlus accessory, which is included with *Wii Sports Resort*, plugs into the base of the Wii Remote™ controller and, combined with the accelerometer and sensor bar, provides an experience that gives players an even greater sense of immersion.
- Just as with *Wii Sports*, people will love competing against friends and family. As the competition heats up, *Wii Sports Resort* is as much fun to watch as it is to play. First-time players will find it easy to pick up a Wii Remote and jump into the action.
- *Wii Sports Resort* takes place on a tropical island. A wide range of activities will keep players coming back for one more round. Some sample activities include Sword Play, Power Cruising (racing a water scooter) and Disc Dog, which involves accurately tossing a disc to a cute, Mii-like dog.
