

ZOO VET

ENDANGERED ANIMALS

Legacy Interactive's award winning Zoo Vet Endangered Animals is now available on Nintendo DS. Test your skills as an Animal Doctor in this fun and educational vet simulation. Using your stylus, give check-ups, treat major and minor illnesses,

and even perform surgeries. Emergencies sometimes arise and players must act fast or risk losing a life! Zoo Vet will tug on your heartstrings, make you laugh, and challenge your mind as you take care of all the sick animals at the zoo.

Loxodonta africana

Age: 20
Sex: male
Aliment: Soreness on hind left foot
Score: 50

KEIKO See? Arthurs, keeping his weight off that rear left leg, almost like there's something on the sole of his foot...

ELEPHANT

African lion (Panthera leo)

Age: 11
Sex: male
Aliment: Vomiting, diarrhea, not eating
Score: 100

Slide with stylus from dot to dot. Start with the blinking dot.

HEAD

MAGN GLASS

Sumatran tiger (Panthera sumatrae)

Age: 18
Sex: female
Aliment: Limping, reluctant to walk
Score: 0

Use the stethoscope on the tiger's chest.

TIGER

Back

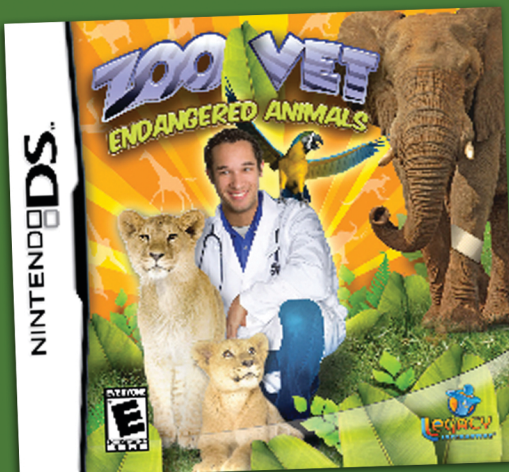

Penguin (Spheniscus humboldti)

Age: 4
Sex: male
Aliment: Limping, reluctant to walk
Score: 0

ZACH Well, his vitals are normal... but I'm dying to see this Bumblefoot!

CHEST

STETHOSCOPE

Features

- 30 different beautifully rendered and animated 3D animals, from dangerous lions to gigantic elephants to curious penguins.
- 30 true to life medical cases and two levels of difficulty where quirky co-workers are always on hand to help you out.
- 15 different medical tools, each with a unique microgame, make the player feel as though the tool is really in their hands.
- 6 fun minigames where you can interact with the animals in their natural environment.
