

# Possible Errors

257522\_PixelRule.tiff ↗

**895784\_CheckMark.tiff ↗ Permissions.** You entered your code successfully, but you do not have permission to save the new license in the directory, "*TIFFany2.app*". Check the Unix write permissions to this directory or let your system administrator perform the installation.

**LicensePanelError.tiff ↗**

**558283\_CheckMark.tiff ↗ Corrupt or damaged license key.** The TIFFany II License file (**T2.License**) you attempted to save has become damaged or corrupt. Copy your original TIFFany II License Key from CD-Rom, diskette or from the file viewer if you have archived your license key.

**667286\_CheckMark.tiff** ↪ **Invalid license key.** The License key you have entered is invalid. Check the license string once again or drag and drop your TIFFany II License file (**T2.License**) onto the license panel.

**489501\_CheckMark.tiff** ↪ **Expired Key.** Your temporary license key has expired. Send email to *TIFFany-License-Request@bMD.com* or call bMD if you require more time to evaluate the product.
