About the Images:

Barely 18 - v.2 Japan is a collection of over 100 provocative photographs of beautiful young women in tantalizing positions. These photos were photographed by renowned photographer Suze Randall. Each of the 100+ images are stored in 24-bit TIFF, 8-bit BMP, and 8-bit BMP Thumbnail formats.

INSTALL -

From Program Manager select File, RUN and type D:\PCFILES\SETUP ("D" being the drive letter of your CD-ROM drive). Also in the BMPFILES directory are the 8-bit bmp files for Barely 18 (over 100 pictures).

MINIMUM SYSTEM REQUIREMENTS -

386SX, 4MEG RAM CD-ROM drive with 150kb/second or faster data transfer rate 256 color VGA card with 512k RAM

8 bit sound card

DOS 5.0 (6.0 recommended)

Windows 3.1 running in 386 enhanced mode with 256 color driver installed (Use the drivers that came with your video card)

## INSTALLING 256 COLOR DRIVERS -

If you don't know how to install the 256 color driver for windows here is some info. (This is for the drivers that came with your video card).

1. Go to the "Main" Program Manager icon and open it.
2. Click on "Windows Setup."
3. Pull down the options menu and select "Change System Settings."
4. Click the arrow on the "Display" menu.
5. Scroll down to the bottom of the list and select "Other" (OEM).
6. Place the video driver floppy disk that came with your video card in your floppy drive and enter the path where the disk can be found on the command line.
7. Once drivers have been copied to the Windows directory go back to the list of drivers on the "Display" menu scroll bar and select the 256 color driver that came with your video card. Restart Windows so that the driver can be loaded.
8. If you're having a problem, consult your Windows Manual on installing video adapter drivers or call the manufacturer of your video card to find out if it is compatible with windows.

The general information above is the best information that we can provide regarding video. PLEASE DO NOT CALL US with video driver questions. For further info, contact your video card manufacturer.
