

Shareware Notice

WeatherTracker 3.0 is shareware, \$24.95 US. To encourage registration, this evaluation copy expires after 20 days and does not save preferences or update data automatically every hour. Upon registration, you will receive a License Key to unlock those features and also disable the Shareware Notice startup screen.

You can purchase a WeatherTracker License Key on-line (or by Phone, FAX, or Mail) via our website at:

<http://www.macalive.com/weather/purchase.html>

Or simply run the "Purchase License Key" program in the WeatherTracker folder.

We accept major credit cards.
