

Registering QuickPop:

I've worked very hard on this utility and would like to continue to update QuickPop as well as release other useful and fun utilities and games, but the only way I can do this is if you send in the requested fee. Please, if you use this, send in the small fee requested along with the registration form (it can be filled out and printed from within the "Registration (open me!)" application, select the option "How to Register..." button in the Help dialog to learn more about registering). VISA and MasterCard payments are now accepted via FAX, email and standard mail. You will receive a registration code via e-mail or U.S. mail if you don't have an e-mail address. Do your part to keep the idea of shareware (and me) going! Thank you.

I have tested QuickPop to the best of my ability, but cannot possibly test it with every application, INIT setup, etc. If you find any problems, please let me know about it. Also, if you have any suggestions of other features you'd like to see, let me know. You can contact me at the address or on-line service below:

Multiple Copy discounts and Site Licenses are available. Multiple copy discounts are calculated automatically when you use the "Registration (open me!)" application (when purchasing more than 9 copies).

If you'd like me to send the latest version of QuickPop along with all my other shareware, send \$5 or send a self addressed stamped return envelope and a formatted disk and I'll send you the latest of all my shareware.

Shareware fee: \$10 per copy

(check for the latest new releases and updates!)

Purchase Orders:

Purchase orders are accepted. Just print the registration form from within the "Registration (open me!)" application, fill in the appropriate information including the Purchase Order number, sign and mail it.

Registered Users of QuickPop:

This version of QuickPop is a free upgrade for anyone who registered version 2.0. If you have registered for QuickPop and need the registration code, send me an e-mail message with your name and address (so I may confirm your registration) or send a self addressed stamped return envelope and I'll send you the code. Thank you for your support!
